Meeting with Councilwoman Warren

am happy to report that the North East has more than 30 vibrant and active block clubs, community, and neighborhood groups. Please know that it is my goal to attend as many of your meetings as possible to stay current and in touch with your issues and concerns. But unfortunately, community meeting times conflict with other Council obligations making it difficult for me to attend as many things as I would like.

Having a hands on approach has always been my goal as your North East Council representative. Please call me if there is something that needs my immediate attention. Tracey Miller on my staff works diligently to respond to all calls within 24 to 48 hours.

To assist me in this endeavor, would you please call my office at (585) 428-6684 and give my Legislative Aide Tracey Miller your meeting dates as soon as you have them to place on my calendar; I will do my best to attend as many of your meetings as possible. You may email those dates to her at Tracey.Miller@cityofrochester.gov.

Remember, anytime that you have a question or concern you do not have to wait until a meeting to speak with me. Please email me at Lovely.Warren@cityofrochester.gov or call me at (585) 428-6684 at your convenience.

Bike Giveaway program in Need

Recently, a warehouse used by a not for profit group that restores used bicycles and gives them away to low income City residents was broken into and more than 30 bikes were stolen.

R Community Bikes at 226 Hudson Avenue gives away about 500 bikes a year and repairs another 500 for free. As a result of the theft, three bike giveaways scheduled for this summer will have to be scaled back.

If you would like to donate to R Community Bikes or for more information, please call Dan Lill at (585) 865-9872.
